Yale

Security
made simple

Yale Price List 2024

A woman with curly hair, wearing a yellow sweater, is sitting at a wooden table and looking at her smartphone. In the background, there are string lights and a hanging light bulb. On the table, there is a cup, glasses, and some papers.

Yale

Yale is trusted by millions of people every day to keep what's important to them safe.

Our innovations have protected their homes, families and belongings for over 180 years. We have expanded from being a leader in mechanical lock engineering to innovating connected smart locks and homes. Because we always make every effort to push the boundaries in a changing world.

We were there for your grandparents (and probably theirs) and we'll be there for your children.

Today, and every day to come.

The Yale Home Ecosystem
For a seamless home security experience.

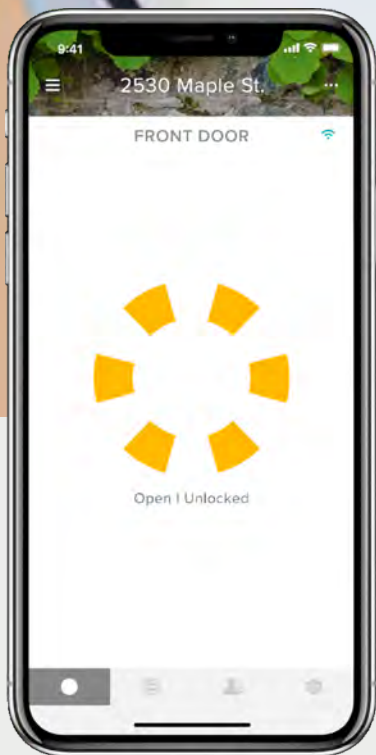

*Coming soon

The Yale Home app enables you to connect and control all your Yale smart security devices (Yale Smart Locks, Yale Smart Alarm, Yale Smart Storage solutions and Video Door bell from a single app.

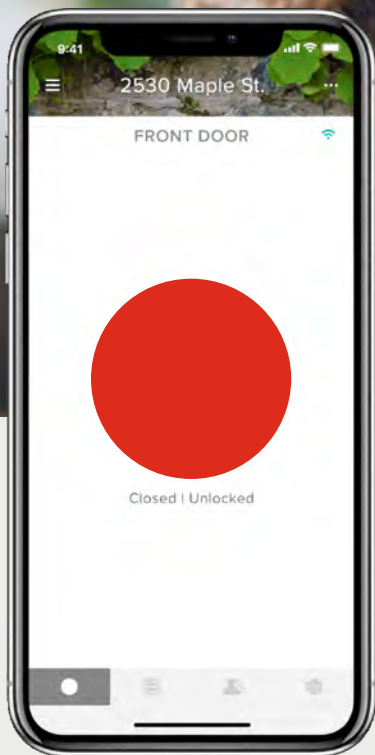

The Yale Home app functionalities

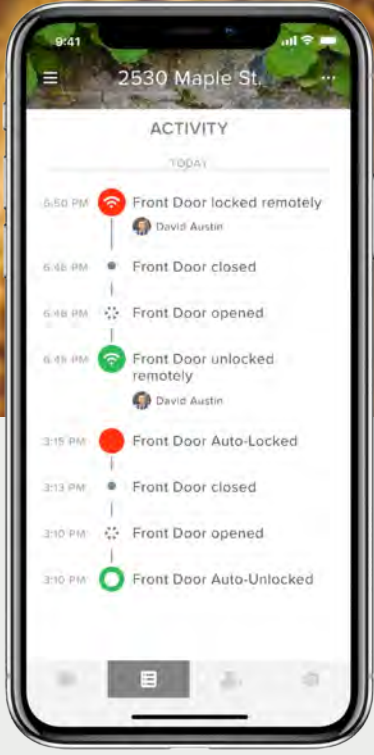

App control

Lock and unlock your door from your app, anywhere in the world.

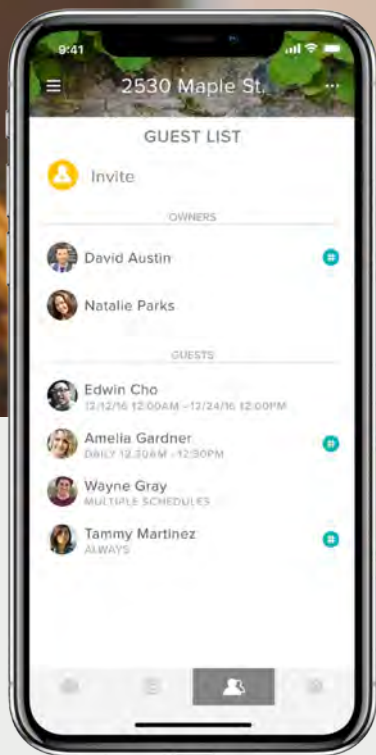

DoorSense™ technology

The lock will check the status of the door and tell you if your door is securely closed and locked.

Activity monitoring

See who comes and when with the Activity Feed. Check who unlocked the door and if or when it was actually opened. Set-up alerts to notify when specific people arrive home.

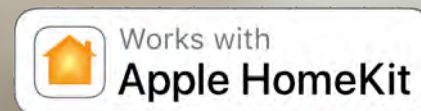

Guest access

Grant unlimited virtual keys valid for a few weeks, a few hours, or a few minutes. Never worry about lost or stolen keys again.

Smart together

Connect your Smart Lock with leading smart home systems, voice assistants and holiday rental platforms for effortless lock control and access management.
